EASTER

In the spring of each year we celebrate Easter. Easter is a time to think about the “new life” that we have in Jesus. Surprisingly, the word “Easter” only appears in the KJV Bible one time in the verse Acts 12:4. A better translation of the Greek word “*Pascha*” used in Acts 12:4 is *Passover*. Although Passover was celebrated by the early Christian Church, today it remains a holy day celebrated by the Jewish people. Christians, of course, celebrate Easter and many call it Resurrection Sunday.

Without a doubt, the resurrection of Jesus The Messiah is of great importance to the history of mankind. Let’s look at some Bible quotes about Easter and see how the Bible shows us that Jesus truly did rise from the dead.
